

SPINE INSTITUTE
OF LOUISIANA
FOUNDATION

The Spine Institute of Louisiana Foundation is excited to announce that we will be partnering again with Sportspectrum and combining our annual fundraising event with their Firecracker 5K.

The **Firecracker 5K Race for Research** will continue to have a Health Exposition that will be part of the Thursday, July 4th event. The Health Expo was a huge success and we would like to invite you to participate again this year. There is no charge for a booth, you just need to bring information, any giveaways, and/or materials about your organization and a couple of volunteers. Exhibitors should be ready for visitors at 7:30 a.m. on the morning of July 4th. The event will start at 8:00 a.m. and be over before 12:00 p.m. at the Mall Saint Vincent parking lot near Sears on the Fairfield Avenue side of the lot. Last year's Firecracker Race and Health Expo had over 3,500 participants!
